

ALL CANADIAN NETWORK BULLETIN

July 2018

UPCOMING CHANGES

Enhanced Water, Limited SBU, and Earthquake

- Still waiting on resolution to some technical issues regarding the implementation of the new rates and wordings for the Enhanced Water and Limited SBU coverages
- Once these are finalized there will also be an adjustment to the Earthquake rates
- These changes are currently being worked on with a target date of ASAP
- Until these changes are finalized the coverages and rates remain as they currently are
- Once these changes are made, policies will be liberalized to the wording changes

FEEDBACK FROM MEMBERS

If there are any products that you wish to add to the All Canadian program, please send your suggestions to Chris Dawson at CNS (cdawson@cns.ca) for review as we are currently looking at additional changes to the products offered on the program. Additionally, if you have any feedback about the team at CNS please also send this to Chris Dawson
